

T7 Plus

19-key integrated terminal -
simpler and easy-to-use

Lead with the next-generation T7 terminal:

- Delivers all the functionality of a T7 Plus with an ATM-style keypad
- Provides more promotional real estate with 3-inch-wide paper
- Easier to use as customer-facing PIN device
- Supports fast online authorizations with 56K modem
- Available with optional 35-key traditional keyboard

innovation. results. leadership.
